

IMPORTANT NOTICE

Sub: - Implementation of Aadhaar Based Biometric Authentication in SSC examinations - reg.

The Commission has decided to implement Aadhaar Based Biometric Authentication in its forthcoming examinations. Accordingly, candidates will be able to authenticate themselves using Aadhaar at the time of online registration, while filling up online application form for the examinations and while appearing at the test centre to take examinations conducted by the Commission from **May 2025** onwards. Such Aadhaar authentication is voluntary and is intended as a measure to promote the ease of engaging with the examination process.
