

**Message from the Chairman, Staff Selection Commission
to the Candidates of Combined Graduate Level Examination (CGLE) Tier I 2025**

Dear Candidates,

On behalf of the Staff Selection Commission, I extend my best wishes to all aspirants appearing for the Combined Graduate Level Examination (CGLE) 2025 starting from 12th September. This examination is one of the most prestigious recruitment processes in the country, providing talented youth the opportunity to contribute to nation building.

This year, over **28 lakh candidates** have applied for CGLE 2025. The Commission has made every effort to provide suitable and convenient examination venues.

For the first time, the SSC will also be conducting the examination on **laptops in select venues at Kolkata**. This initiative is aimed at enhancing flexibility in exam conduct and is expected to pave the way towards conducting **CGLE and other Tier-II exams in a single shift** later this year.

The Commission has also ensured extensive arrangements so that the examination is conducted in a fair, transparent, and secure manner. All candidates are advised to strictly follow the instructions given in their Admit Card and at the Examination Centres. Any form of malpractice, impersonation, or violation of examination rules will invite strict action.

Candidates are advised not to panic in case of any technical issue during the examination. In case of any snag, the system will be shifted promptly, and it will be ensured that there will be no loss of time. SSC representatives will be present at all centres, and in case of any concern, you can immediately report the matter to them.

Further, a dedicated feedback portal has been launched, accessible through the candidate portal on ssc.gov.in, to enable you to share your examination experience directly with the Commission.

I exhort you to appear for the examination with confidence and honesty, relying on your preparation and hard work. The Commission remains committed to maintaining the highest standards of integrity and providing a level playing field for every candidate.

I once again convey my best wishes for your success in the CGLE 2025. May your efforts bear fruit and enable you to achieve your aspirations.

With regards,

Gopalakrishnan S

Chairman

Staff Selection Commission
