Staff Selection Commission

Subject : Official App of Staff Selection Commission

It is observed in recently out notification of Selection Post Examination, Phase-XII, 2024 many candidates are facing problems in uploading their live photographs on required field for completing the Examination forms on the Commission website.

It is informed that Candidates may use Commission's official app (MySSC) which is available on Google Playstore (<https://play.google.com/store/apps/details?id=com.gov.ssc>) to capture their live photographs for the purpose of application.
